

***Perspectives of young autistic adults on their post-primary educational experiences in Ireland.***

**Participant Consent Form**

- I have read and understand the participant information sheet.
- I understand that my participation is voluntary. I can withdraw at any time. I do not have to give a reason. There will not be any consequences if I withdraw.
- I understand that all the data collected for this research study will remain confidential.
- I understand that all the data collected for this research study will be anonymised.
- I understand that my anonymised words may be used in this research study.
- I agree to be a participant in this research study.
- I agree to the interview being voice recorded and/or notes being taken as part of this project. The voice recording and/or notes will be destroyed once this research study is completed.
